SMICA_FULL finite delivered-fit surrogate; actual T mask and INT_BEAM
Diagnostic only: no physical observer response, covariance or velocity inference
retained coefficient norm [microK]
injected |beta| (dimensionless)
finite injection
finite minus linear
ell 6–16 leakage
wrong beam order difference
+3.733e2
remainder norm / |beta|² [microK]
injected |beta|
singular value [microK per beta]
geometric response column index
